- Experts and Managers of Banks, Financial Institutions, Corporates, Transport and Insurance Companies

Purpose of this conference

In difficult times the demand for letters of credit increases. In daily practice we encounter frequent problems in the correct use of transport documents, insurance documents, etc. to get paid when using letters of credit. This conference will highlight changes in Letter of Credit practice and will bring focus to problems such as Sanction Clauses, Court Orders, Unusual Bills of Lading, Exclusion Clauses, etc. and show ways to prepare for the unexpected.

This conference wants to show participants

- the many different ways L/Cs are handled in practice
- insight into problems with multimodal transport and insurance
- the challenges of L/Cs in commodity trade
- the latest experiences with UCP 600
- local “specialties”, potential traps and how to circumvent looming problems
